PANAROTTIS FOR FAMILY

Our mission is to foster a culture of giving - one that supports and cares for vulnerable and at-risk families across South Africa. We focus on funding projects and organisations that provide safety, shelter, nourishment, education, and more, with the aim of positively impacting lives and shaping brighter futures.

We want our legacy to lay the foundations for a future where giving back is the norm, not the exception - where the needs of all vulnerable and at-risk families are met. We rotate our beneficiary allocations every six months, ensuring support to as many individuals as possible.

BIG ON OUR PLANET

At Panarottis, we're big on caring for our planet. After all, it supplies us with the most delicious, fresh ingredients for our Italian-inspired meals!

All of our restaurants are committed to environmental sustainability and minimising the impact we have on the environment. Our Eco Journey is ongoing, and we continue to work with our suppliers to introduce viable alternatives, aligned with our goal of building a sustainable future, today.

WE'RE WORKING TO BE BETTER

Waste and resource management are key

considerations in our restaurants. We focus on partnering with landlords to achieve our reduction goals. We've also removed unnecessary single-use packaging (straws, balloons, plastic bags, etc.) from our restaurants.

Our takeaway packaging is made from sustainably managed paper and is FSC-certified.

Our delicious fresh produce is locally sourced.

81% of our restaurants participate in Spur Group's annual Green Ops Report.
